SECTION 2.03. *Forms of Trust Certificates and Guaranty.* The Trust Certificates and the guaranty to be endorsed on the Trust Certificates by the Company as hereinafter in Section 7.01 provided shall be in substantially the forms hereinbefore set forth. The Trust Certificates shall be issued in definitive form and shall be printed, lithographed or engraved.

SECTION 2.04. *Execution by Trustee.* The Trust Certificates shall be signed in the name and on behalf of the Trustee by the manual or facsimile signature of the President or one of the Vice Presidents or Second Vice Presidents of the Trustee and the corporate seal or a facsimile thereof of the Trustee shall be affixed or imprinted thereon and attested by the manual signature of one of its Trust Officers. In case any officer of the Trustee whose signature, whether facsimile or not, shall appear on any of the Trust Certificates shall cease to be such officer before the Trust Certificates shall have been issued and delivered by the Trustee or shall not have been acting in such capacity on the date of the Trust Certificates, such Trust Certificates may be adopted by the Trustee and be issued and delivered as though such person has not ceased to be or had then been such officer of the Trustee.

SECTION 2.05. *Transfer and Exchange.* The Trustee shall cause to be kept at the Corporate Trust Office books for the transfer of the Trust Certificates.

The transfer of each Trust Certificate shall be registrable by the registered holder thereof in person or by duly authorized attorney on the books of the Trustee upon surrender to the Trustee at its Corporate Trust Office of such Trust Certificate accompanied by a written instrument of transfer, duly executed by the registered holder in person or by such attorney, in form satisfactory to the Trustee. Thereupon the Trustee will issue and deliver to the transferee thereof in exchange therefor, without expense to the transferor or transferee except as provided in the last paragraph of this Section 2.05, a new fully registered Trust Certificate for the same principal amount as the unpaid principal amount of the Trust Certificate so surrendered, and the Company shall endorse its guaranty on such new Trust Certificate.

The holder of one or more Trust Certificates may surrender the same for exchange at said Corporate Trust Office of the Trustee and shall be entitled to receive in exchange therefor, without expense to the holder except as provided in the last paragraph of this Section 2.05, a like aggregate principal amount of fully registered Trust Certificates of other authorized denominations of like date, and the Company shall endorse its guaranty on such new Trust Certificates. Notwithstanding the foregoing provisions of this Section 2.05, the Trustee shall not be required to register the transfer or exchange of any Trust Certificate during the 10 days preceding an interest payment date.

Anything herein to the contrary notwithstanding, the parties hereto may deem and treat the registered holder of any Trust Certificate as the absolute owner of such Trust Certificate for all purposes and shall not be affected by any notice to the contrary.

For any such transfer or exchange the Trustee shall require the payment of a sum sufficient to cover the amount of any stamp tax or other governmental charge connected therewith.

SECTION 2.06. *Replacement of Lost Trust Certificates.* In case any Trust Certificate shall become mutilated or defaced or be lost, destroyed or stolen, then on the terms herein set forth, and not otherwise, the Trustee shall execute and deliver a new Trust Certificate of like tenor, and bearing such identifying number or designation as the Trustee may determine, in exchange and substitution for, and upon cancellation of, the mutilated or defaced Trust Certificate, or in lieu of and in substitution for the same if lost, destroyed or stolen. The Company shall execute its guaranty on any Trust Certificates so delivered. The applicant for a new Trust Certificate shall furnish to the Trustee and to the Company evidence to their satisfaction of the loss, destruction or theft of such Trust Certificate alleged to have been lost, destroyed or stolen and of the ownership and authenticity of such mutilated, defaced, lost, destroyed or stolen Trust Certificate, and also shall furnish such security or indemnity as may be required by the Trustee and by the Company in their discretion, and shall pay all expenses and charges of such substitution or exchange. In the event of the mutilation, destruction, loss or theft of any Trust Certificate held by any original purchaser named in the Purchase Agreement, such purchaser's written personal guarantee as to indemnity shall be satisfactory. All Trust Certificates are held and owned upon the express condition that the foregoing provisions are exclusive in respect of the replacement of mutilated, defaced, lost, destroyed or stolen Trust Certificates and shall preclude any and all other rights and remedies, any law or statute now existing or hereafter enacted to the contrary notwithstanding.

ARTICLE III.

REDEMPTION

SECTION 3.01. *Redemption and Redemption Price.* On April 1, 1981 and on each April 1 thereafter so long as any Trust Certificates shall be outstanding, as and for a sinking fund, the Trustee will redeem 5% of the original principal amount of the Trust Certificates, at the principal amount of the Trust Certificates so redeemed, without premium. The Trust Certificates are not subject to redemption prior to maturity at the option of the Company.

SECTION 3.02. *Allocation of Partial Redemptions.* In the case of each redemption in part, the principal amount of the Trust Certificates to be redeemed shall be allocated among the Trust Certificates at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for redemption, with adjustments, to the extent practicable, to compensate for any prior redemptions not made exactly in such proportion.

SECTION 3.03. *Maturity; Surrender, etc.* In the case of each redemption, the principal amount of each Trust Certificate to be redeemed shall mature and become due and payable on the date fixed for such redemption, together with interest on such principal amount accrued to such date. From and after such date, any overdue principal and interest shall bear interest as hereinbefore provided. Any Trust Certificate paid or redeemed in full shall be surrendered to the Trustee and cancelled and shall not be reissued, and no Trust Certificate shall be issued in lieu of any principal amount of any Trust Certificate so redeemed.

ARTICLE IV.

ACQUISITION OF TRUST EQUIPMENT BY TRUSTEE; DEPOSITED CASH

SECTION 4.01. *Acquisition of Equipment by Trustee.* The Company shall cause the Equipment described in Attachment A hereto to be sold, assigned and transferred to the Trustee, as trustee for the proportionate benefit of the holders of the interests represented by the Trust Certificates, in accordance with the terms hereof, all of which the Company represents and warrants will be new Equipment constructed and first put into service on or after July 1, 1979, except that not more than 50 units of such Equipment may be constructed and first put into service on or after April 1, 1979.

In the event that the Company shall deem it necessary or desirable to procure for the use of the Company, and to include in the trust hereby created, other new Equipment first put into service on or after July 1, 1979, in lieu of or in addition to any units of the Equipment specifically described in Attachment A hereto prior to the acceptance of such Equipment by the Trustee, the Company may cause to be sold to the Trustee such other new Equipment to be substituted under the trust by supplement hereto in accordance with the terms hereof. All such Equipment shall be delivered to the person or persons designated by the Trustee as its agent or agents to receive such delivery (who may in the case of such Equipment be one or more of the officers or agents of the Company) and the certificate of any such agent or agents as to such delivery shall be conclusive evidence of such delivery.

SECTION 4.02. *Payment of Deposited Cash.* When the Trust Equipment shall have been delivered to the Trustee or its agent or agents pursuant to Section 4.01, the Trustee shall pay to the Company out of Deposited Cash, upon Request but subject to the provisions of Section 4.03 hereof, an amount equal to not more than 90% of the sum of the aggregate Cost of such Trust Equipment, as specified in the Officers' Certificate furnished to the Trustee pursuant to Section 4.03 (b).

SECTION 4.03. *Supporting Documents and Papers.* The Trustee shall not pay out any Deposited Cash unless and until it shall have received:

(a) a certificate of the agent or agents designated by the Trustee to receive delivery of the Trust Equipment, stating that the Trust Equipment described and specified therein by number or numbers has been delivered to such agent or agents;

(b) an Officers' Certificate, dated the date of the Request referred to in Section 4.02, which shall state (i) that such Trust Equipment is Equipment as herein defined, (ii) that the Cost of such Trust Equipment is the amount therein specified, (iii) the date each unit of such Trust Equipment was first put into use or that such unit was first put into use not earlier than a specified date, (iv) that, in the opinion of the signers, all conditions precedent provided for in this Trust Agreement, relating to the payment in question, have been complied with, (v) that there exists no Event of Default and no event which with notice or lapse of time or both would constitute an Event of Default hereunder, and (vi) that the Company is in compliance with Section 5.09 of this Trust Agreement;

(c) a bill or bills of sale for such Trust Equipment from the manufacturers or the Company or other owners thereof to the Trustee, which bill or bills of sale shall contain a warranty or guaranty to the Trustee that the title to the Trust Equipment described therein is free from all liens and encumbrances other than the rights of the Company hereunder and the rights of lessees under Leases permitted hereunder which have been effectively subordinated to the rights of the Trustee hereunder;

(d) an Engineer's Certificate which shall state the fair value to the Company, in the opinion of the signer, of such Trust Equipment as of the date of the above-mentioned Request;

(e) in the case of the first Request under Section 4.02, the Opinion of Counsel in the form of Exhibit B to the Purchase Agreements;

(f) in the case of any Request under Section 4.02, Opinions of Counsel, dated the date of such Request, in substantially the forms of Exhibits C and D, respectively, to the Purchase Agreements;

(g) an Opinion of Counsel that title to such Trust Equipment is validly vested in the Trustee free from all liens and encumbrances other than the rights of the Company hereunder.

If the aggregate final Cost, as specified in the certificates theretofore delivered to the Trustee pursuant to this Section 4.03, of the Trust Equipment delivered to the Trustee or its agent or agents pursuant to this Article IV shall be less than \$22,222,222, the Company will, not later than April 1, 1981, cause to be sold, assigned and transferred to the Trustee, pursuant to a supplement hereto, additional new Equipment constructed and first put into service on or after July 1, 1979 in such amount and of such Cost that the aggregate final Cost of the Trust Equipment will be at least \$22,222,222.

ARTICLE V.

LEASE OF TRUST EQUIPMENT TO THE COMPANY

SECTION 5.01. *Lease of Trust Equipment.* The Trustee does hereby let and lease to the Company, for a term ending April 1, 2000, all of the Trust Equipment.

SECTION 5.02. *Equipment Automatically Subjected.* As and when any Equipment shall from time to time be delivered hereunder to the Trustee or its agent or agents, the same shall, *ipso facto* and without further instrument of lease or transfer, pass under and become subject to all the terms and provisions hereof.

SECTION 5.03. *Additional Equipment Subject Hereto.* In the event that the Company shall, as provided in Section 4.01, 4.03, 5.06 or 5.08, cause to be transferred to the Trustee other Equipment in

addition to or in substitution for any of the Equipment herein specifically described or subjected hereto, such other Equipment shall be included as part of the Trust Equipment by supplement hereto and shall be subject to all the terms and conditions hereof in all respects as though it had been part of the Trust Equipment herein specifically described.

SECTION 5.04. *Rental Payments.* The Company hereby accepts the lease of all the Trust Equipment, and covenants and agrees to accept delivery and possession hereunder of the Trust Equipment; and the Company covenants and agrees to pay to the Trustee at the Corporate Trust Office (or, in the case of taxes, to the proper taxing authority), in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, rent hereunder which shall be sufficient to pay and discharge the following items, when and as the same shall become due and payable (whether or not any of such items shall become due and payable prior to the delivery and lease to the Company of any of the Trust Equipment):

(A) The Company shall pay to the Trustee as advance rental hereunder a sum which, when added to the net proceeds (including premium and accrued interest, if any) of the sale of the Trust Certificates deposited with or to the credit of the Trustee, will make the total sum deposited equal to the principal amount of the Trust Certificates so issued.

(B) In addition to such advance rental the Company shall pay to the Trustee, as hereinafter provided, as rental for the Trust Equipment, the following:

(1) from time to time upon demand of the Trustee (a) the necessary and reasonable expenses of the trust hereby created, including compensation and expenses provided for herein, and (b) an amount equal to any expenses incurred or loss of principal (including interest accrued thereupon at time of purchase) in connection with any purchase, sale or redemption by the Trustee of Investment Securities;

(2) from time to time upon demand of the Trustee any and all taxes, assessments and governmental charges upon or on account of the income or property of the trust, or upon or on account of this Trust Agreement, which the Trustee as such may be required to pay;

(3) (a) the amounts of the interest payable on the Trust Certificates, when and as the same shall become payable, and (b) interest at the rate of 11½% per annum from the due date, upon the amount of any instalments of rental payable under this subparagraph (3) and the following subparagraph (4) which shall not be paid when due, to the extent legally enforceable; and

(4) the principal of the Trust Certificates when and as the same shall become due and payable (whether at stated maturity or at a date fixed for a sinking fund payment or by declaration or otherwise).

Nothing herein or in the Trust Certificates contained shall be deemed to impose on the Trustee or on the Company any obligation to pay to the holder of any Trust Certificate any tax, assessment or governmental charge required by any present or future law of the United States of America, or of any state, county, municipality or other taxing authority thereof, to be paid in behalf of, or withheld from the amount payable to, the holder of any Trust Certificate.

The Company shall not be required to pay any tax, assessment or governmental charge so long as it shall in good faith and by appropriate legal proceedings contest the validity thereof, provided that the rights or interests of the Trustee or of the holders of the Trust Certificates will not be materially endangered thereby and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect.

SECTION 5.05. *Termination of Lease.* At the termination of the lease provided herein and after all payments due or to become due from the Company hereunder shall have been completed and fully

made to the Trustee (a) such payments shall be applied and treated as purchase money and as the full purchase price of the Trust Equipment, (b) any moneys remaining in the hands of the Trustee after providing for all outstanding Trust Certificates and after paying the expenses of the Trustee, including its reasonable compensation, shall be paid to the Company, (c) title to all the Trust Equipment shall vest in the Company, and (d) the Trustee shall execute for record in public offices, at the expense of the Company, such instrument or instruments in writing as reasonably shall be requested by the Company in order to make clear upon public records the Company's title to all the Trust Equipment under the laws of any jurisdiction; *provided, however*, that until that time title to the Trust Equipment shall not pass to or vest in the Company, but title to and ownership of all the Trust Equipment shall be and remain in the Trustee, notwithstanding the delivery of the Trust Equipment to and the possession and use thereof by the Company.

SECTION 5.06. *Substitution and Replacement of Equipment.* In the event that the Company should become legally bound to sell any unit of the Trust Equipment pursuant to any agreement of sale or purchase option contained in a sublease or the exercise by any government or any subdivision or authority thereof of any power of condemnation, expropriation or similar power, the Trustee shall, upon Request, at any time and from time to time, execute and deliver a bill of sale assigning and transferring to the transferee named by the Company all the right, title and interest of the Trustee in and to such unit of the Trust Equipment; *provided, however*, that none of the Trust Equipment shall be assigned or transferred (except as provided in Section 5.05) unless simultaneously there shall be conveyed to the Trustee other Equipment having (as of the date of such Request) an actual fair value at least equal to the actual fair value of, and an AAR Value at least equal to 97.5% of the AAR Value of, the Trust Equipment to be assigned or transferred by the Trustee and/or paid to the Trustee cash and/or issued to the Trustee a Letter of Credit in an amount (as of the date of such Request) not less than the actual fair value of, and at least equal to 97.5% of the AAR Value of, the Trust Equipment so assigned or transferred by the Trustee; *provided further, however*, that all Equipment conveyed to the Trustee pursuant to this Section 5.06 shall have a remaining useful life in the business of the Company ending not earlier than April 1, 2000.

At the time of delivery of any Request pursuant to the first paragraph of this Section 5.06, the Company shall, if other Equipment is to be conveyed to the Trustee in substitution for the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee the following papers:

(1) an Engineer's Certificate stating (a) the actual fair value and the AAR Value, as of the date of said Request, of the Trust Equipment so to be assigned or transferred by the Trustee and the method used to calculate such value, (b) that such assignment or transfer will not impair the security under this Trust Agreement in contravention of the provisions hereof, (c) the actual fair value and the AAR Value of such substituted units of Equipment as of such date, and the method used to calculate such values and (d) the remaining useful life in the business of the Company of such substituted units of Equipment as of such date;

(2) an Officers' Certificate stating (a) the date each unit of Trust Equipment so to be assigned or transferred by the Trustee was first put into use (or that such unit was first put into use not later than a specified date), (b) the original Cost of each unit of the Equipment so to be substituted and the date it was first put into use (or that such unit was first put into use not earlier than a specified date), (c) that each such unit so to be substituted is Equipment as herein defined, (d) that there exists no Event of Default or event which with the lapse of time or notice or both would constitute an Event of Default, and (e) that, in the opinion of the signers, all conditions precedent provided for in this Trust Agreement, relating to such substitution, have been complied with;

(3) a certificate and a bill or bills of sale in respect of such substituted Equipment as provided for in subparagraphs (a) and (c) of the first paragraph of Section 4.03; and

(4) an Opinion of Counsel to the effect (a) that such bill or bills of sale are valid and effective, either alone or together with any other instruments referred to in and accompanying such opinion, to vest in the Trustee title to such substituted Equipment free from all liens and encumbrances other than the rights of the Company hereunder and the rights of lessees under Leases permitted hereunder which have been effectively subordinated to the rights of the Trustee hereunder, (b) that a proper supplement hereto in respect of such substituted Equipment has been duly executed and delivered by the Company, and (c) that, in the opinion of such counsel, all conditions precedent provided for in this Trust Agreement, with respect to such substitution, have been complied with.

If the actual fair value or AAR Value of the Trust Equipment to be assigned or transferred by the Trustee, together with all other property so assigned or transferred in the twelve months immediately prior to the delivery of any Request, as set forth in the certificate or certificates required by this Section 5.06, exceeds the greater of \$100,000 or 5% of the aggregate principal amount of Trust Certificates at the time outstanding, the Engineer's Certificate referred to in subparagraph (1) above shall be signed by an Independent Engineer.

At the time of delivery of any Request pursuant to the first paragraph of this Section 5.06, the Company shall, if cash is to be paid and/or a Letter of Credit to be issued to the Trustee in respect of the Trust Equipment to be assigned or transferred by the Trustee, deliver to the Trustee papers corresponding to those set forth in the second paragraph of this Section 5.06 in so far as they relate to the action requested.

Cash deposited with the Trustee pursuant to this Section 5.06 or pursuant to Section 5.08, 5.09 or 6.01(b) shall, from time to time, be paid over by the Trustee to the Company upon Request, against conveyance to the Trustee of Equipment having an actual fair value, as of the date of said Request, not less than the amount of such cash so paid and an AAR Value, as of the date of said Request, not less than 97.5% of such cash so paid, and upon compliance by the Company with all of the provisions of the second paragraph of this Section 5.06 in so far as they relate to the action requested.

Any Letter of Credit deposited with the Trustee pursuant to this Section 5.06 or Section 5.08 or 6.01(b) hereof shall upon its expiration or other termination or upon Request, as the case may be, be released by the Trustee to the Company against (i) conveyance to the Trustee of units of Equipment having an actual fair value, as of the date of such termination or Request, not less than the amount of the Letter of Credit to be released and an AAR Value, as of the date of such termination or Request, not less than 97.5% of the amount of the Letter of Credit to be released and upon delivery to the Trustee of papers as provided in the second paragraph of Section 5.06 hereof or (ii) deposit with the Trustee of cash in like amount as the Letter of Credit to be released. Prior to the time that any such Letter of Credit shall have been outstanding for a period of six months, or in the event that at any time any such Letter of Credit shall expire, terminate, or be or become uncollectible or unenforceable, or if the Trustee shall be unable to draw on any such Letter of Credit the full amount thereof, the Company shall convey units of Equipment to the Trustee and/or deposit with the Trustee cash, and the Trustee shall release such Letter of Credit to the Company, as aforesaid.

SECTION 5.07. *Marking of Trust Equipment.* The Company agrees that, as soon as practicable after the delivery to the Trustee pursuant to this Trust Agreement of each unit of the Trust Equipment, there shall be plainly, distinctly, permanently and conspicuously placed and fastened upon each side of such unit a metal plate bearing the following words, or such words shall be otherwise plainly, distinctly, permanently and conspicuously marked on each side of such unit, in either case in letters not less than seven-sixteenths of one inch in height:

"OWNERSHIP SUBJECT TO AN EQUIPMENT TRUST OR SECURITY AGREEMENT AND/OR VESTED IN A TRUSTEE OR OTHER PERSON OR ENTITY AS SET FORTH IN A BAILMENT AGREEMENT OR LEASE FILED WITH THE INTERSTATE COMMERCE COMMISSION."

Such plates or marks shall be such as to be readily visible and as to indicate plainly the Trustee's ownership of each unit of the Trust Equipment.

In case, prior to the termination of the lease provided for herein, any of such plates or marks shall at any time be removed, defaced or destroyed, the Company shall forthwith cause the same to be restored or replaced. The Company shall not change or permit to be changed the numbers of any of the Trust Equipment at any time covered hereby (or any numbers which may have been substituted as herein provided) except in accordance with a statement of new numbers to be substituted therefor which previously shall have been filed with the Trustee by the Company and which shall be filed and recorded to the extent required by Section 7.05.

The Trust Equipment may be marked or lettered "North American Car Corporation" or in some other appropriate manner for convenience of identification of the leasehold interest of the Company therein, and may also be marked or lettered, in case of a sublease of any Trust Equipment made pursuant to Section 5.10 hereof, in such manner as may be appropriate for convenience of identification of the sublease interest therein; but the Company, during the continuance of the lease provided for herein, will not allow the name of any person, firm, association or corporation to be placed on any of the Trust Equipment as a designation which might be interpreted as a claim of ownership thereof by the Company or by any person, firm, association or corporation other than the Trustee.

SECTION 5.08. *Maintenance of Trust Equipment; Alterations; Purchase; Deposit of Cash or Letter of Credit.* The Company agrees that it will maintain and keep all the Trust Equipment in good order and proper repair and in compliance with applicable law and regulations at its own cost and expense, unless and until it becomes worn out, unsuitable for use, lost or destroyed (hereinafter called a Casualty Occurrence). When the actual fair value or AAR Value of all units of the Trust Equipment having suffered a Casualty Occurrence (exclusive of units having suffered a Casualty Occurrence in respect of which a payment shall have been made or a Letter of Credit issued or Equipment transferred to the Trustee pursuant to this Section) shall equal or exceed an amount equal to 1% of the principal amount of the Trust Certificates then outstanding (or such lesser amount as the Company may elect), the Company, within 30 days of such event, shall convey to the Trustee other Equipment of an actual fair value at least equal to the actual fair value of, and an AAR Value at least equal to 97.5% of the AAR Value (as of a date immediately prior to the Casualty Occurrence in respect of each unit) of, the Trust Equipment having suffered a Casualty Occurrence and/or deposit with the Trustee an amount in cash and/or cause to be issued to the Trustee a Letter of Credit, aggregating in amount not less than such actual fair value and 97.5% of such AAR Value of such units as of a date immediately prior to the Casualty Occurrence in respect of each thereof. The rights and remedies of the Trustee to enforce or to recover any of the rental payments shall not be affected by reason of any Casualty Occurrence. For all purposes of this Section 5.08, the term "unsuitable for use" shall include any condition in which Trust Equipment is no longer usable for the purpose or purposes for which the same was designed (or an alternate purpose or alternate purposes provided that no material impairment in value shall arise therefrom) whether by virtue of its physical condition or of the effect of any applicable law, rule, regulation or order. The Trustee, by its agents, shall have the right once in each calendar year, but shall be under no duty, to inspect the Trust Equipment at the then existing locations thereof.

For the purpose of enabling the Company to meet the transportation requirements of present and future sublessees, the Company may from time to time make, or cause to be made, changes and alterations in the design, structure and equipment of any of the cars constituting a part of the Trust Equipment, all at the expense of the Company; *provided, however*, that no material impairment in value shall result therefrom.

The Company covenants and agrees, whenever required by the Trustee, and at least once, on or before April 15, 1981 and in every calendar year thereafter and during the continuance of the lease provided for herein, (i) to furnish to the Trustee an Officers' Certificate, dated as of the last day of the preceding January, stating (a) the amount, description and numbers of all Trust Equipment that may

have suffered a Casualty Occurrence by accident or otherwise or have been purchased by a third party since the date of the last preceding statement (or the date of this Trust Agreement in the case of the first statement), and (b) that in the case of all the Trust Equipment repainted or repaired since the date of the last preceding statement (or the date of this Trust Agreement in the case of the first statement) the plates or marks required by Section 5.07 have been preserved, or that such Trust Equipment when repainted or repaired has been again plated or marked as required thereby; and (ii) to furnish to the Trustee an Engineer's Certificate describing all Trust Equipment stated in the Officers' Certificate referred to above as having suffered a Casualty Occurrence or having been purchased by any third party and stating the actual fair value and AAR Value thereof as of a date immediately prior to such Casualty Occurrence or purchase, and the method used to calculate such values.

If the actual fair value or AAR Value of the Trust Equipment described in the Engineer's Certificate referred to in the preceding paragraph together with all other Trust Equipment which has suffered a Casualty Occurrence or has been purchased by a third party in the twelve months covered by the Officers' Certificate referred to above, as set forth in certificates required by Section 5.06 and this Section 5.08, exceeds the greater of \$100,000 or 5% of the aggregate principal amount of Trust Certificates at the time outstanding, the Engineer's Certificate shall be signed by an Independent Engineer.

SECTION 5.09. *Insurance of Trust Equipment.* The Company will keep in effect its present or equivalent policies of insurance on the Trust Equipment whereby the Company is insured against loss or damage resulting from risks comparable to those risks insured against by the Company on other cars owned or leased by the Company up to at least an amount equal to the Cost of the Trust Equipment (as theretofore certified to the Trustee) less 1/25th of such Cost for each full period of one year elapsed between the last day of the month during which such unit was first put into use (as certified) and the date as of which such value is to be determined. The aggregate of such insured amounts as to the Trust Equipment shall equal or exceed the actual fair value from time to time of the Trust Equipment. In lieu of insurance, the Company's practice is to require sublessees of the Trust Equipment to bear the risk of loss of the Trust Equipment and the Company shall not be required to insure any Trust Equipment the risk of loss of which is borne by the sublessee. The Company will pay the premiums of such insurance and deliver to the Trustee, at least once in every year, a certificate, signed by its President or by one of its Vice Presidents, stating that such insurance is in effect and naming the insurer or insurers. If the Company shall fail to maintain such insurance, the Trustee may (but shall be under no obligation so to do) cause the Trust Equipment to be insured in such amount as the Trustee shall deem advisable for the protection of the holders of the Trust Certificates and may demand and recover from the Company the premiums on such insurance plus any financing expense incurred by the Trustee in order to pay such premiums. In case the Company fails to make and maintain such insurance and the Trustee insures the Trust Equipment or any part thereof as above provided, the title of the Trustee to the Trust Equipment shall, notwithstanding the making of all other payments hereunder to be made by the Company, remain in the Trustee until the repayment of the amount so paid for insurance with any financing expense, as aforesaid, and the repayment of such amount is hereby expressly made one of the obligations to be performed before title to the Trust Equipment shall vest in the Company.

Any insurance moneys paid to the Trustee on account of any loss in respect of the Trust Equipment covered by insurance effected by the Trustee shall be held and retained by the Trustee in trust for the proportionate benefit of the holders of the Trust Certificates, until the replacement or repair, as provided in Section 5.08, of the Trust Equipment covered by such insurance. Upon proof satisfactory to the Trustee of the proper replacement or repair of said Trust Equipment, said insurance or other moneys received by the Trustee shall be applied by the Trustee to the payment of the cost of such replacement or repair or to reimburse the Company, to the extent of such funds, for

payments made by it in respect of such replacement or repair. A certificate on behalf of the Company by its President or one of its Vice Presidents as to the proper replacement or repair of said Trust Equipment, free from all liens and encumbrances, shall be full and complete protection to the Trustee.

SECTION 5.10. *Possession of Trust Equipment; Sublease.* Except as provided in Sections 5.06, 5.08 and 7.04 and in this Section 5.10, the Company will not transfer or sublet the Trust Equipment or any part thereof or assign or transfer its rights hereunder, except that the Company may (subject to the provision of Section 7.03(b) hereof which relates to recording to make effective the title of the Trustee to all Trust Equipment other than units of Trust Equipment having an aggregate Cost or actual fair value, whichever is greater, of not more than 10% of the Trust Estate Value) sublet Trust Equipment to an Affiliate of the Company whose rights are subordinated to the rights of the Trustee and holders of the Trust Certificates hereunder (i) incorporated under the laws of the United States of America or Canada or a political subdivision of either other than the provinces of Quebec, New Brunswick and Nova Scotia, or (ii) incorporated under the laws of Mexico or a political subdivision thereof, which agrees in a writing delivered to the Trustee to take such Trust Equipment subject to the terms hereof and to comply with the covenants and agreements of the Company in this Trust Agreement insofar as such covenants and agreements relate to the Trust Equipment sublet to such Affiliate of the Company, and to neither assign nor transfer its rights under such sublease except to sublessees as permitted to the Company hereunder or to the Company or an Affiliate of the Company; *provided however*, that no such sublease shall relieve the Company of its obligations hereunder, and the Company shall not, except as herein provided, part with the possession of, or suffer or allow to pass out of its possession or control, any of the Trust Equipment; *provided further, however*, that in no event shall the Company permit units of Trust Equipment having an aggregate Cost or actual fair value, whichever is greater, of more than 10% of the Trust Estate Value to be located at any time in Mexico. An assignment or transfer to a corporation which shall acquire all or substantially all of the property of the Company and which, by execution of an appropriate instrument satisfactory to the Trustee, shall assume and agree to perform each and all of the obligations and covenants of the Company hereunder and under the guaranty endorsed on the Trust Certificates shall not be deemed a breach of this covenant.

So long as the Company shall not be in default under this Trust Agreement, the Company and any Affiliate of the Company shall be entitled to the possession and use of the Trust Equipment in accordance with the terms hereof, and the Company and any Affiliate of the Company may also in the future (a) furnish the Trust Equipment or any part thereof to railroad companies for use upon the lines of railroad owned or operated by them or over which they have trackage rights and upon connecting and other carriers in the usual interchange of traffic, or to persons other than railroad companies for use in their businesses, or (b) sublet to others, with or without an option to purchase, all or any part of the Trust Equipment, but only, in either case, upon and subject to all the terms and conditions of this Trust Agreement, and subject and subordinate to all rights of the Trustee hereunder; *provided, however*, that the aggregate Cost of any Trust Equipment sublet to any one sublessee, or any affiliate thereof, shall not exceed 25% of the Trust Estate Value.

Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled (subject and subordinate to the rights of the Trustee upon the happening of an Event of Default) to the possession of the Trust Equipment included in such sublease and the use thereof, and, subject to the provisions of Section 5.07, may provide for lettering or marking upon such Equipment for convenience of identification of the leasehold interest of such sublessee therein. Every such sublease shall expressly subject and subordinate the rights of the sublessee under such sublease to the rights of the Trustee in respect of the Trust Equipment covered by such sublease in the event of the happening of an Event of Default.

The Trustee shall have the right to declare the lease provided for herein terminated in case of any unauthorized assignment or transfer of the Company's rights hereunder or in case of any

unauthorized transfer or sublease of any of the Trust Equipment. The election of the Trustee to terminate the lease provided for herein shall have the same effect as the retaking of the Trust Equipment by the Trustee as hereinafter provided.

SECTION 5.11. *Assignment of Rentals.* The Company hereby transfers and assigns to the Trustee, for the proportionate benefit of the holders from time to time of the Trust Certificates, all of its right, title and interest as lessor in, to, under or in respect of, and grants a charge on and security interest in, all rents, proceeds and other moneys now due and payable or hereafter to become due and payable in respect of Trust Equipment under each and every Lease and under each and every existing and future guarantee of all or any of the obligations of any lessee under any such Lease including (without limitation) all claims for damages arising out of any breach of any such Lease or guarantee, together with the full power and authority, in the name of the Trustee, and the Company, or either of them, or otherwise to demand, sue for, enforce, collect, receive and receipt for any and all of the foregoing (the Company hereby irrevocably constitutes and appoints the Trustee the attorney-in-fact of the Company for such purposes). Any instrument made, executed and delivered by the Trustee on behalf of the Company shall be binding upon the Company and all persons claiming by, through or under the Company, with the same effect as if the Company had itself made, executed and delivered the same.

The Company as lessor or sublessor covenants and agrees that substantially the following clause has been and will continue to be inserted in each Lease of any of the Trust Equipment:

"It is understood that some of the cars furnished Lessee under this Agreement and Lessor's rights under this Agreement may at the time of delivery to Lessee or at some future time during the term of this Agreement be subject to the terms of a Mortgage, Deed of Trust, Equipment Trust, Pledge or Assignment or similar security arrangement. Lessee agrees that the cars may be stenciled or marked to set forth the ownership of any such cars in the name of a mortgagee, trustee, pledgee, assignee or security holder and that this agreement and Lessee's rights hereunder are and shall at all times be subject and subordinated to any and all rights of any mortgagee, trustee, pledgee, assignee or security holder. As to the cars subject hereto, this Agreement and the rentals hereunder may have been assigned and may in the future be assigned to the holder, if any, of the superior lien from time to time on each car as determined with reference to the filings with the Interstate Commerce Commission; however, until notified to the contrary by any person reasonably proving to the Lessee's satisfaction that he is the assignee of this Agreement or the rentals hereunder, the Lessee is to pay all rentals to the order of the Lessor. Lessee hereby consents to and accepts such assignments."

The Company further covenants and agrees that it has used and will continue to use its best efforts to cause substantially the following additional clause to be inserted in each Lease:

"Lessee agrees that no claim or defense which Lessee may have against Lessor shall be asserted or enforced against any assignee of this Agreement."

The Company hereby irrevocably directs all persons now or at any time obligated under each and every such Lease to pay to the Trustee or its agent, at its Corporate Trust Office, all payments due and to become due and all other sums assigned pursuant to this Section 5.11.

Any and all rights of the Trustee under this Section 5.11 may be exercised pursuant to or as contemplated by the provisions of this Trust Agreement and each and every Lease. The assignment provided for in this Section 5.11 shall be effective immediately and is not conditioned upon the occurrence of an Event of Default under this Trust Agreement or any other event or contingency.

The foregoing assignment shall be subject to the following additional provisions:

(a) The Trustee hereby appoints the Company as its agent, and the Company hereby accepts such appointment, to collect and receive all payments due and to become due under Leases in respect of Trust Equipment, *provided*, that only upon the occurrence of an Event of Default which shall be continuing, the Trustee may terminate such agency and such agency shall terminate immediately upon notice of such termination from the Trustee to the Company; *provided, further*, that prior to receipt of such notice, the Company may make such use of any moneys received pursuant to its agency hereunder as it would otherwise be entitled to except for the assignment under this Section 5.11.

(b) Any action, suit or proceeding brought by the Trustee following such termination of such agency pursuant to any of the terms hereof or otherwise, and any claim made by the Trustee hereunder, may be compromised, withdrawn or otherwise dealt with by the Trustee without any notice to or approval of the Company.

(c) The Trustee shall not be obligated to take any steps necessary to preserve any rights in any Lease against prior parties who may be liable in connection therewith and it is expressly agreed that, anything herein contained to the contrary notwithstanding, the Company shall remain liable under the Leases to which it is a party to perform all of the obligations assumed or to be assumed by it thereunder and the Trustee shall have no obligation or liability under any Lease by reason of or arising out of this assignment, nor shall the Trustee be required or obligated in any manner to perform or fulfill any obligation of the Company under or pursuant to any Lease, or to make any payment, or to make any inquiry as to the nature of sufficiency of any payment received by it, or present or file any claim, or take any other action to collect or enforce the payment of any amounts which may have been assigned to it or to which it may be entitled hereunder at any time or times, and the Company shall and does hereby agree to indemnify and hold the Trustee harmless of and from any and all liability, loss or damage which it may or might incur with respect to or arising under any Lease or this assignment.

(d) The Company agrees to mark each executed counterpart of each Lease now or hereafter held by it under which it is lessor with the following:

"This lease has been assigned to the holder of the superior lien from time to time on each car as determined with reference to the filings with the Interstate Commerce Commission."

(e) The Company at its expense shall cause any document confirmatory of this assignment or such other instruments as may be designated by applicable law, to be recorded, registered and filed in such manner and in such places, and will pay all such recording, registration, filing or other taxes, fees and other charges, and will comply with all such statutes and regulations, as may be required at any time for proper protection of the security interest under this assignment, and of the rights of the Trustee, its successors and assigns, and the holders of the Trust Certificates.

(f) The Company, promptly after the execution hereof, shall give notice in writing in form satisfactory to the Trustee to all lessees under all presently existing Leases under which it is lessor not containing an effective subordination clause of the existence of this assignment which notice shall direct such lessees, upon receipt of notice from the Trustee, to pay to the Trustee all rentals now or in the future due or owing in respect of Trust Equipment under any such Lease. Such notices shall be sent by certified mail, return receipt requested, and such receipts shall be directed to the Trustee. The Company shall use reasonable efforts to obtain as promptly as possible acknowledgements, in form satisfactory to the Trustee, of the receipt of all such notices with respect to such Leases; and the Company will promptly deliver all such acknowledgements to the Trustee.

(g) Upon request of the Trustee, or if required in order to duly perfect the interests of the Trustee therein, the Company agrees to execute and deliver to the Trustee a document separate and apart from this Trust Agreement embodying the provisions of this Section 5.11 for the purpose of notifying the lessees under such Leases of this Trust Agreement and directing such lessees to make payments due under such Leases to the Trustee.

(h) The Company agrees that prior to permitting an Affiliate of the Company to possess and use any of the Trust Equipment or to furnish same to railroad companies for use upon lines of railroad or sublet same, it will cause each such Affiliate (including, without limitation, North American Car (Canada) Limited) to execute an assignment of rentals to the Trustee containing the same provisions as contained in this Section 5.11 substituting such Affiliate for the Company therein.

SECTION 5.12. *Patent Indemnity.* The Company covenants and agrees to indemnify the Trustee against any and all claims arising out of or connected with the ownership or use of any of the Trust Equipment, and particularly against any and all claims arising out of the use of any patented inventions in and about the Trust Equipment, and to comply in all respects with the laws of the United States of America and of all the states or other jurisdictions in which the Trust Equipment, or any thereof, may be operated, and with all lawful acts, rules, regulations and orders of any commissions, boards and other legislative, executive, administrative or judicial bodies or officers having power to regulate or supervise any of the Trust Equipment, including without limitation all lawful acts, rules, regulations and orders of anybody having competent jurisdiction relating to automatic coupler devices or attachments, air brakes or other appliances, or resistance to pressure; *provided, however,* that the Company may in good faith contest the validity of any such law, act, rule, regulation or order, or the application thereof to the Trust Equipment or any part thereof, in any reasonable manner which will not in the judgment of the Trustee materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates. The Company shall not be relieved from any of its obligations hereunder by reason of the assertion or enforcement of any such claims or the commencement or prosecution of any litigation in respect thereof.

SECTION 5.13. *Improvement Equipment.* Notwithstanding the proviso to the first paragraph of Section 5.06 and the provisions of the second sentence of Section 5.08, the Company shall be relieved of the requirement thereunder that it convey to the Trustee other Equipment or pay to the Trustee cash and/or issue to the Trustee a Letter of Credit to the extent of the increase (as of the date of the Officers' Certificate referred to below) in the actual fair value or the AAR Value of the Trust Equipment attributable to the Improvement Equipment added to units of Trust Equipment after the date on which such units became Trust Equipment upon delivery to the Trustee of the following:

(1) an Officers' Certificate dated within 30 days prior to delivery thereof to the Trustee (a) describing each unit of Improvement Equipment, including the serial number of the unit of Trust Equipment to which such Improvement Equipment is attached and the rule or regulation referred to in the definition of Improvement Equipment contained in Section 1.01 pursuant to which such unit of Improvement Equipment has been added, (b) certifying that (i) such Improvement Equipment was added to such unit after the date on which such unit became Trust Equipment and (ii) such increase in value of such Improvement Equipment has not theretofore been certified to the Trustee pursuant to this Section 5.13 to avoid or limit the requirements of Section 5.06 or 5.08;

(2) a certificate of an Independent Engineer certifying as to the dollar amount of increase (as of the date of the Officers' Certificate referred to above) in the actual fair value or the AAR Value of the Trust Equipment attributable to the Improvement Equipment specified in said Officers' Certificate, and the method used to calculate such values; and

(3) an Opinion of Counsel to the effect that title to such Improvement Equipment is vested in the Trustee free from all liens and encumbrances other than the rights of the Company hereunder.

ARTICLE VI.
REMEDIES IN EVENT OF DEFAULT

SECTION 6.01. *Events of Default.* The Company covenants and agrees that in case

(a) the Company shall default in the payment of any part of the rental payable hereunder (including advance rental) when the same shall have become due and payable and such default shall continue for five days, or

(b) the Company or any Affiliate of the Company to which any of the rights of the Company hereunder shall have been assigned in conformity with the provisions of this Trust Agreement shall make or suffer any unauthorized assignment or transfer of its rights hereunder or shall make any unauthorized transfer or sublease of any of the Trust Equipment or any such sublease shall not be effectively subordinated to the rights of the Trustee and the holders of the Trust Certificates hereunder, or, except as herein authorized, shall part with the possession of any of the Trust Equipment, and shall fail or refuse either to cause such assignment or transfer or sublease to be canceled by agreement of all parties having any interest therein and recover possession of such Trust Equipment within 30 days after the Trustee shall have demanded in writing such cancellation and recovery of possession, or within said 30 days to deposit with the Trustee either cash and/or a Letter of Credit in an aggregate sum equal to the Cost, or, in the case of Trust Equipment conveyed to the Trustee pursuant to Section 5.06 or 5.08 hereof, the actual fair value (as of the date of conveyance) of the Trust Equipment so assigned or transferred or subleased or the possession of which shall have been parted with otherwise than as herein authorized, as certified to the Trustee pursuant to Section 4.03 or Section 5.06 or 5.08 (any Letter of Credit and/or cash so deposited to be returned to the Company upon the cancellation of such assignment, transfer or sublease and the recovery of possession by the Company or such Affiliate of the Company of such Trust Equipment), or

(c) the Company shall, for more than 30 days after the Trustee shall have demanded in writing performance thereof, fail or refuse to comply with any other of the terms and covenants hereof on its part to be kept and performed, or to make provision satisfactory to the Trustee for such compliance, or

(d) the lease provided for herein shall be terminated by operation of law, or

(e) the Company or any Subsidiary shall (i) admit in writing its inability to pay its debt generally as they become due, (ii) file a petition in bankruptcy or under any provision of Title 11 of the United States Code as now constituted or hereafter amended or commence proceedings under any bankruptcy, insolvency, reorganization, readjustment of debt, dissolution or liquidation law or statute now or hereafter in effect of the Federal government or any state or territorial government or any subdivision of either, (iii) make an assignment for the benefit of its creditors, (iv) consent to the appointment of a receiver of itself or of the whole or any substantial part of the Trust Equipment, or (v) on a petition in bankruptcy filed against the Company or any Subsidiary, be adjudicated a bankrupt, or

(f) an order, judgment or decree shall be entered by any court of competent jurisdiction appointing, without the consent of the debtor, a receiver of the Company or any Subsidiary or of the whole or any substantial part of the Trust Equipment, and such order, judgment or decree shall not be vacated or set aside or stayed within 60 days from the date of such appointment, or

(g) a court of competent jurisdiction shall enter an order, judgment or decree approving a petition filed against the Company or any Subsidiary under any bankruptcy, insolvency, reorganization, readjustment of debt, dissolution or liquidation law or statute of the Federal government or any state or territorial government or any subdivision of either now or hereafter in effect, and such order, judgment or decree shall not be vacated or set aside or stayed within 60 days from the date of the entry of such order, judgment or decree, or a stay of such proceedings be thereafter set aside, or

(h) under the provision of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the Company or any Subsidiary or of the whole or any substantial part of the Trust Equipment, and such custody or control shall not be terminated within 60 days from the date of assumption of such custody or control, or

(i) default shall be made by the Company in the performance or observance of any of the covenants, agreements or conditions on its part in any of the Purchase Agreements or there shall be any material breach of any of the representations and warranties of the Company contained in any of the Purchase Agreements, and such default or breach shall continue for a period of 30 days after written notice to the Company by the Trustee or to the Company and the Trustee by any original purchaser of Trust Certificates named in a Purchase Agreement or the holder or holders of 10% or more in aggregate principal amount of the Trust Certificates then outstanding,

then, in any such event (herein sometimes called an "Event of Default"), the Trustee in its discretion may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare to be due and payable forthwith the entire amount of the rentals thereafter (including any unpaid advance rental, but not including rentals required for the payment of interest accruing after the date of such declaration) payable by the Company as set forth in Section 5.04 and not theretofore paid. Thereupon the entire amount of such rentals shall forthwith become and shall be due and payable immediately without further demand, together with interest at the rate of 11½% per annum, to the extent legally enforceable, on any portion thereof overdue.

In case one or more Events of Default shall happen, the Trustee in its discretion also may, and upon the written request of the holders of not less than 25% in principal amount of the then outstanding Trust Certificates shall, by notice in writing delivered to the Company, declare the principal of all the Trust Certificates then outstanding to be due and payable, and thereupon the same shall become and be immediately due and payable.

In case the Company shall fail to pay any instalment of rental payable pursuant to Section 5.04(B)(3) or (B)(4) when and as the same shall have become due and payable hereunder, and such default shall have continued for a period of ten days, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the rentals so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Company or other obligor upon the Trust Certificates and collect in the manner provided by law out of the property of the Company or other obligor upon the Trust Certificates wherever situated the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Company or any other obligor upon the Trust Certificates under Title 11 of the United States Code or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Company or such other obligor, or in case of any other judicial proceedings relative to the Company or such other obligor, or to the creditors or property of the Company or such other obligor, the Trustee, irrespective of whether the rental payments hereunder or the principal of the Trust Certificates shall then be due and payable as herein or therein expressed whether by declaration or otherwise and irrespective of whether the Trustee shall have made any demand or declaration pursuant to the provisions of this Section 6.01, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the entire amount of the rentals (including any unpaid advance rental, but not including rentals required for the payment of interest accruing after the date of such declaration) and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for reasonable

compensation to the Trustee, its agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad faith) and of the holders of the Trust Certificates allowed in such proceedings and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the holders of the Trust Certificates and of the Trustee on their behalf; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the holders of the Trust Certificates to make payments to the Trustee, and, in the event that the Trustee shall consent to the making of payments directly to the holders of the Trust Certificates, to pay to the Trustee such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad faith.

All rights of action and to assert claims under this Trust Agreement or under any of the Trust Certificates may be enforced by the Trustee without the possession of any of the Trust Certificates or the production thereof on any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall be for the proportionate benefit of the holders of the Trust Certificates. In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Trust Agreement to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Trust Certificates, and it shall not be necessary to make any holders of the Trust Certificates parties to such proceedings.

SECTION 6.02. *Remedies.* In case of the happening of any Event of Default, the Trustee may by its agents enter upon the premises of the Company and of any Affiliate of the Company or of any sublessee where any of the Trust Equipment may be and take possession of all or any part of the Trust Equipment and withdraw the same from said premises, retaining all payments which up to that time may have been made on account of rental for the Trust Equipment and otherwise, and shall be entitled to collect, receive and retain all unpaid *per diem*, mileage or other charges of any kind earned by the Trust Equipment or any part thereof, and may lease the Trust Equipment or any part thereof, or with or without retaking possession thereof (but only after declaring due and payable the entire amount of rentals payable by the Company as provided in Section 6.01 hereof) may sell the same or any part thereof, free from any and all claims of the Company at law or in equity, in one lot and as an entirety or in separate lots, in so far as may be necessary to perform and fulfill the trust hereunder, at public or private sale, for cash or upon credit, in its discretion, and may proceed otherwise to enforce its rights and the rights of the holders of interests hereunder in the manner herein provided. Upon any such sale, the Trustee itself may bid for the property offered for sale or any part thereof. Any such sale may be held or conducted at such place and at such time as the Trustee may specify, or as may be required by law, and without gathering at the place of sale the Trust Equipment to be sold, and in general in such manner as the Trustee may determine, but so that the Company may and shall have a reasonable opportunity to bid at any such sale. Upon such taking possession or withdrawal or lease or sale of the Trust Equipment, the Company shall cease to have any rights or remedies in respect of the Trust Equipment hereunder, but all such rights and remedies shall be deemed thenceforth to have been waived and surrendered by the Company, and no payments theretofore made by the Company for the rent or use of the Trust Equipment or any of it shall, in case of the happening of any Event of Default and such taking possession, withdrawal, lease or sale by the Trustee, give to the Company any legal or equitable interest or title in or to the Trust Equipment or any of it or any cause or right of action at law or in equity in respect of the Trust Equipment against the Trustee or the holders of interests hereunder. No such taking possession, withdrawal, lease or sale of the Trust Equipment by the Trustee shall be a bar to the recovery by the Trustee from the Company of rentals then or thereafter due and payable, and the Company shall be and remain liable for the same until such sums shall have been realized as, with the proceeds of the lease or sale of the

Trust Equipment, shall be sufficient for the discharge and payment in full of all the items mentioned in Section 5.04 (other than interest not then accrued) whether or not they shall have then matured.

SECTION 6.03. *Application of Proceeds.* If, in case of the happening of any Event of Default, the Trustee shall exercise any of the powers conferred upon it by Sections 6.01 and 6.02, all payments made by the Company to the Trustee hereunder after such Event of Default, and the proceeds of any judgment collected from the Company by the Trustee hereunder, and the proceeds of every sale or lease by the Trustee hereunder of any of the Trust Equipment, together with any other sums which may then be held by the Trustee under any of the provisions hereof (other than sums held in trust for the payment of specific Trust Certificates), shall be applied by the Trustee to the payment, in the following order or priority, (a) of all proper charges, expenses or advances made or incurred by the Trustee in accordance with the provisions of this Trust Agreement and (b) of the interest then due, with interest on overdue interest at the rate of 11½% per annum to the extent legally enforceable, and of the principal of all the outstanding Trust Certificates, with interest thereon at the rate of 11½% per annum to the extent legally enforceable from the last preceding principal payment date, whether such Trust Certificates shall have then matured by their terms or not, all such payments to be in full if such proceeds shall be sufficient, and if not sufficient, then *pro rata*, without preference between principal and interest.

After all such payments shall have been made in full, the title to any of the Trust Equipment remaining unsold shall be conveyed by the Trustee to the Company free from any further liabilities or obligations to the Trustee hereunder. If after applying all such sums of money realized by the Trustee as aforesaid there shall remain any amount due to the Trustee under the provisions hereof, the Company agrees to pay the amount of such deficit to the Trustee. If after applying as aforesaid the sums of money realized by the Trustee there shall remain a surplus in the possession of the Trustee, such surplus shall be paid to the Company.

SECTION 6.04. *Waivers of Default.* Prior to the declaration of the acceleration of the maturity of the rentals and of the maturity of all the Trust Certificates as provided in Section 6.01, the holders of not less than 66⅔% in principal amount of the Trust Certificates at the time outstanding may on behalf of the holders of all the Trust Certificates waive any past Event of Default and its consequences, except an Event of Default in the payment of any instalment of rental payable pursuant to Section 5.04(B)(3) or (B)(4), but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

If at any time after the principal of all the Trust Certificates shall have been declared and become due and payable or if at any time after the entire amount of rentals shall have been declared and become due and payable, all as in Section 6.01 provided, but before April 1, 2000, all arrears of rent (with interest at the rate of 11½% per annum upon any overdue instalments, to the extent legally enforceable), the expenses and reasonable compensation of the Trustee, together with all expenses of the trust occasioned by the Company's default, and all other sums which shall have become due and payable by the Company hereunder (other than the principal of Trust Certificates, and any other rental instalments, which shall not at the time have matured according to their terms) shall be paid by the Company before any sale or lease by the Trustee of any of the Trust Equipment, and every other default in the observance or performance of any covenant or condition hereof shall be made good or secured to the satisfaction of the Trustee, or provision deemed by the Trustee to be adequate shall be made therefor, then, and in every such case, the Trustee, if so requested by the holders of not less than 66⅔% in principal amount of the Trust Certificates then outstanding according to their terms, shall by written notice to the Company waive the default by reason of which there shall have been such declaration or declarations and the consequences of such default, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

SECTION 6.05. *Obligations of Company Not Affected by Remedies.* No retaking of possession of the Trust Equipment by the Trustee, or any withdrawal, lease or sale thereof, nor any action or failure or omission to act against the Company or in respect of the Trust Equipment, on the part of the Trustee or on the part of the holder of any Trust Certificate, nor any delay or indulgence granted to the Company by the Trustee or by any such holder, shall affect the obligations of the Company hereunder or the obligations of the Company under the guaranty endorsed on the Trust Certificates. The Company hereby waives presentation and demand in respect of any of the Trust Certificates and waives notice of presentation, of demand and of any default in the payment of the principal of and interest on the Trust Certificates.

SECTION 6.06. *Company to Deliver Trust Equipment to Trustee.* In case the Trustee shall rightfully demand possession of any of the Trust Equipment in pursuance of this Trust Agreement, and Company will, at its own expense, forthwith and in the usual manner and at usual speed, cause such Trust Equipment to be drawn to such point or points as shall reasonably be designated by the Trustee and will there deliver or cause to be delivered the same to the Trustee; or, at the option of the Trustee, the Trustee may keep such Trust Equipment, at the expense of the Company, on any lines of railroad or premises approved by the Trustee until the Trustee shall have leased, sold or otherwise disposed of the same. The performance of the foregoing covenant is of the essence of this Trust Agreement and upon application to any court having jurisdiction in the premises, the Trustee shall be entitled to a decree against the Company requiring the specific performance thereof.

SECTION 6.07. *Trustee to Give Notice of Default.* The Trustee shall give to the holders of the Trust Certificates notice of each default hereunder known to the Trustee within 30 days after the occurrence thereof, unless such default shall have been remedied or cured before the giving of such notice.

SECTION 6.08. *Limitations on Suits by Holders of Trust Certificates.* No holder of any Trust Certificate shall have any right by virtue or by availing itself of any provision of this Trust Agreement to institute any action or proceedings at law or in equity or in bankruptcy or otherwise, upon or under or with respect to this Trust Agreement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless such holder previously shall have given to the Trustee written notice of default and of the continuance thereof, and hereinbefore provided, and unless also the holders of not less than 66⅔% in principal amount of the Trust Certificates then outstanding shall have made written request to the Trustee to institute such action or proceedings in its own name as trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for 30 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such action or proceedings and no direction inconsistent with such written request shall have been given to the Trustee pursuant to Section 6.10; it being understood and intended, that no one or more holders of Trust Certificates shall have any right in any manner whatever, by virtue or by availing of any provision of this Trust Agreement, to affect, disturb, or prejudice the rights of any other holder of Trust Certificates, or to obtain or seek to obtain priority over or preference to any other such holder or to enforce any right under this Trust Agreement, except in the manner herein provided and for the proportionate and common benefit of all holders of Trust Certificates. For the protection and enforcement of the provisions of this Section 6.08, each and every holder of a Trust Certificate and the Trustee shall be entitled to such relief as can be given either at law or in equity.

SECTION 6.09. *Unconditional Right of Holders of Trust Certificates to Sue for Principal and Interest.* Notwithstanding any other provision in this Trust Agreement, the right of any holder of any Trust Certificate to receive payment of the principal of, and interest on, such Trust Certificate, on or after the respective due dates expressed in such Trust Certificates, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such holder, except no such suit shall be instituted if and to the extent that the institution

or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the title reserved under this Trust Agreement upon any property subject hereto.

SECTION 6.10. *Control by Holders of Trust Certificates.* The holders of not less than 66 $\frac{2}{3}$ % in principal amount of the Trust Certificates at the time outstanding shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; *provided, however*, that, subject to the provisions of Section 10.02, the Trustee shall have the right to decline to follow any such direction if the Trustee being advised by counsel shall determine that the action so directed may not lawfully be taken.

SECTION 6.11. *Remedies Cumulative.* The remedies in this Trust Agreement provided in favor of the Trustee and the holders of the Trust Certificates, or any of them, shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in their favor existing at law or in equity, and any such remedies shall be subject in all respects to any mandatory requirements of law at the time applicable thereto, to the extent such requirements may not be waived on the part of the Company.

ARTICLE VII.

ADDITIONAL COVENANTS AND AGREEMENTS BY THE COMPANY

SECTION 7.01. *Guaranty of Company.* The Company unconditionally covenants, agrees and guarantees that the holder of each of the Trust Certificates shall receive the principal amount thereof, in such coin of currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts, when and as the same shall become due and payable, in accordance with the provisions thereof or of this Trust Agreement (and, if not so paid, with interest thereon until paid at the rate of 11 $\frac{1}{2}$ % per annum to the extent legally enforceable), and shall receive interest thereon in like money at the rate specified therein, at the times and places and otherwise as expressed in the Trust Certificates (and, if not so paid, with interest thereon until paid at the rate of 11 $\frac{1}{2}$ % per annum to the extent legally enforceable); and the Company further covenants and agrees to endorse upon each of the Trust Certificates, at or before the issuance and delivery thereof by the Trustee, its guaranty of the prompt payment of the principal thereof and of the interest thereon, in substantially the form hereinbefore set forth. Said guaranty so endorsed shall be signed in the name and on behalf of the Company by the manual or facsimile signature of its President or a Vice President. In case any officer of the Company whose signature shall appear on said guaranty shall cease to be such officer before the Trust Certificates shall have been issued and delivered by the Trustee, or shall not have been acting in such capacity on the date of the Trust Certificates, such guaranty shall nevertheless be as effective and binding upon the Company as though the person who signed said guaranty had not ceased to be or had then been such officer.

SECTION 7.02. *Books and Accounts.* The Company and each of its Subsidiaries will at all times keep or cause to be kept correct and complete books of record and account in accordance with generally accepted accounting principles.

SECTION 7.03. *Miscellaneous Affirmative Covenants.* The Company will:

(a) promptly after the execution and delivery of this Trust Agreement, deliver to the Trustee a recorded counterpart of this Trust Agreement, or receipts therefor and/or for filing thereof, or other evidence of such recording and/or filing from the proper recording and/or filing officers;

(b) promptly after the execution and delivery of this Trust Agreement and each supplement hereto, respectively, and each separate assignment of rentals and other payments under Leases required by Section 5.11 hereof (i) cause this Trust Agreement, or such supplement or assignment, to be duly filed with the Interstate Commerce Commission pursuant to 49 U.S.C. § 11303, (ii) file under the Uniform Commercial Code financing statements covering assigned rentals and other payments under Leases in Illinois or in such other place as the principal office of the assignor thereof may be located and (iii) cause all necessary filings to be made in accordance with any applicable national registration legislation of Canada (provided filings under such legislation will render the title and interests of the Trustee superior to all other claims against such title and interests) or the applicable registration legislation of all mainland Provinces of Canada (other than Quebec, New Brunswick and Nova Scotia, subject to the proviso of this paragraph) in which this Trust Agreement or such assignments are eligible for filing; and the Company will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register and record any and all further instruments required by the law of any jurisdiction in which the Equipment shall be used or reasonably requested by the Trustee for the purpose of proper protection of the title and interests of the Trustee and the rights of the holders of the Trust Certificates in and to the Trust Equipment and the assignments of rentals and other payments under Leases as required in Section 5.11 hereof, and of fully carrying out and effectuating this Agreement and the intent hereof; *provided, however*, that the Company shall not be required to take any such action in respect of any jurisdiction outside the United States of America if (1) the Company deems such action to be unduly burdensome, (2) after giving effect to the failure to take such action, the Company has taken all action required by law to protect the title and interests of the Trustee to all Trust Equipment (and the assigned rentals and other payments under Leases in respect of units of Trust Equipment) other than units of Trust Equipment having an aggregate Cost or actual fair value, whichever is greater, of not more than 10% of the Trust Estate Value and (3) any unit of Trust Equipment at any time located in such jurisdiction shall have been marked with the markings specified in Section 5.07 hereof;

(c) promptly after the execution and delivery of this Agreement and each supplement hereto or separate assignment of rentals and other payments under Leases, the Company will furnish to the Trustee an Opinion of Counsel stating that, in the opinion of such counsel, this Agreement or such supplement or assignment, as the case may be, has been properly recorded and filed so as effectively to protect the title and interests of the Trustee to the Trust Equipment and all assignments of rentals and other payments under Leases required by Section 5.11 hereof and its rights and the rights of the holders of the Trust Certificates thereunder and hereunder as provided in the next preceding paragraph and reciting the details of such action; and the Company will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register and record any and all further instruments required by law, including the filing or refiling of financing statements every five years or otherwise as provided by law, or when reasonably requested by the Trustee for the purpose of proper protection of the title and interests of the Trustee and the rights of the holders of the Trust Certificates and of fully carrying out and effectuating this Trust Agreement and the intent hereof; all expense incident to such recording and filing to be paid by the Company;

(d) the Company shall furnish to the Trustee, not more than three months after the anniversary in each year, commencing with the year 1981, of the first recording or filing of this Trust Agreement, an Opinion of Counsel stating either that, in the opinion of such counsel, (i) such action has been taken with respect to the recording, filing, rerecording and refiling of this Trust Agreement and each supplement and separate assignment as is necessary for the proper perfection and protection of the title and interests of the Trustee under this Trust Agreement (subject to the limitation of subparagraph (b) of this Section 7.03) in and to the Trust Equipment and the assignment of rents and other payments required by Section 5.11 hereof and

the rights of the Trustee and holders of the Trust Certificates hereunder and thereunder and reciting the details of such action, or (ii) no such action is necessary for any of such purposes, and in rendering such opinion, such counsel may rely upon an Officers' Certificate as to (a) the units of Trust Equipment with respect to which no filings have been made outside the United States, (b) the Cost and aggregate actual fair value of such Trust Equipment, (c) the Cost and aggregate actual fair value of all Trust Equipment and (d) all factual matters relating to the assignments required by Section 5.11 hereof;

(e) the Company shall furnish to the Trustee within 100 days after the end of each fiscal year (i) an Officers' Certificate containing a description of all Leases as of close of the next preceding quarterly accounting period of the Company (including the names and addresses of all lessees) and (ii) an Officers' Certificate stating that there exists no Event of Default or event which with lapse of time or notice or both would constitute an Event of Default, or, if any thereof exists, specifying the nature thereof, the period of existence thereof and what action the Company proposes to take with respect thereto; and forthwith upon any officer of the Company or any Affiliate of the Company to whom any of the Trust Equipment shall be assigned or transferred from time to time obtaining knowledge of an Event of Default or event which with lapse of time or notice or both would constitute an Event of Default the Company will deliver to the Trustee an Officers' Certificate specifying the nature thereof and what action the Company or such Affiliate of the Company proposes to take with respect thereto;

(f) pay and discharge, or cause to be paid and discharged, when due or make adequate provision for the satisfaction or discharge of, any debt, tax, charge, assessment, obligation or claim which if unpaid might become a lien or charge upon or against any of the Trust Equipment, except upon the leasehold interest of the Company therein; but this provision shall not require the payment of any such debt, tax, charge, assessment, obligation or claim so long as the validity thereof shall be contested in good faith and by appropriate legal proceedings, provided that such contest will not materially endanger the rights or interests of the Trustee or of the holders of the Trust Certificates and the Company shall have furnished the Trustee with an Opinion of Counsel to such effect; and

(g) do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence and franchises and use its best efforts to preserve and keep in full force and effect its rights, permits and licenses to do business; *provided, however*, that nothing in this subparagraph (g) shall prevent the abandonment of any rights, permits or licenses to do business of the Company if such rights, permits or licenses are not required in the conduct of the Company's operations as may be reasonably determined by the Company.

SECTION 7.04. *Merger, Consolidation, Transfer of Assets.* The Company will not merge into or consolidate or amalgamate with another corporation or sell, lease, transfer or otherwise dispose of all or any substantial part of its property or assets, unless (i) the corporation formed by or surviving any such merger, consolidation or amalgamation or to which such sale, lease, transfer or disposition shall have been made shall be a corporation organized under the laws of the United States of America or any state thereof, and (ii) the Company (if it shall survive such transaction) shall remain bound with respect to, and such corporation (if it shall survive such transaction) shall have expressly assumed by supplemental trust agreement, the due and punctual payment of the principal of and interest on all of the Trust Certificates and the due and punctual performance and observance of all the covenants and conditions of this Trust Agreement and the Purchase Agreements, respectively, to be performed and observed by the Company.

SECTION 7.05. *Further Assurances.* The Company covenants that from time to time it will do, execute, acknowledge, deliver, file and record, or cause to be done, executed, acknowledged, delivered, filed and recorded, all and every such further acts, deeds, grants, releases, conveyances, assignments, mortgages, pledges, transfers and assurances as shall be necessary, or as the Trustee shall reasonably

require, for the better granting, releasing, conveying, confirming, assigning, ceding, charging, mortgaging, pledging, transferring and assuring unto the Trustee of all the property, rights and interests hereby granted, bargained, sold, aliened, remised, conveyed, confirmed, warranted, assigned, ceded, charged, mortgaged, pledged, transferred, delivered or set over or intended so to be, or which the Company may become bound to grant, bargain, sell, alien, remise, release, convey, confirm, warrant, assign, cede, charge, mortgage, transfer, deliver or set over to, or pledge with, the Trustee.

SECTION 7.06. *Consent of Certificateholders.* Subject to the limitation of the provisions of Section 11.02, anything in this Trust Agreement to the contrary notwithstanding, the Company may fail or omit in any particular instance to comply with a covenant, agreement or condition contained in Sections 5.07 to 5.11 and 7.02 to 7.05, inclusive, if the Company shall have obtained and filed with the Trustee prior to the time for such compliance the consent in writing of the holders of not less than 66⅔% in principal amount of the Trust Certificates at the time outstanding, either waiving such compliance in such instance or generally waiving compliance with such covenant or condition, but no such waiver shall extend to or affect any obligation not expressly waived nor impair any right consequent thereon.

SECTION 7.07. *Notice of failure to comply.* The Company covenants forthwith to give written notice to the Trustee of any failure to comply with any covenant of the Company in this Trust Agreement.

ARTICLE VIII.

EVIDENCE OF RIGHT OF HOLDERS OF TRUST CERTIFICATES

SECTION 8.01. Any demand, request, consent or other instrument, which this Trust Agreement may require or permit to be signed and executed by the holders of the Trust Certificates may be in any number of concurrent instruments of similar tenor and may be signed or executed by such holders of the Trust Certificates in person or by attorney appointed in writing. Proof of the execution of any such demand, request, consent or other instrument, or of a writing appointing any such attorney, and of the holding by any person of the Trust Certificates shall be sufficient for any purpose of this Trust Agreement if made in the following manner:

(a) The fact and date of the execution by any person of such demand, request, consent or other instrument or writing may be proven by the certificate of any notary public, or other officer authorized to take acknowledgments of deeds to be recorded in the jurisdiction in which he acts, that the person signing the same acknowledged to him the execution thereof, or by an affidavit of a witness of such execution. The Trustee may nevertheless in its discretion require further proof in cases where it deems further proof desirable.

(b) The ownership of Trust Certificates shall be proved by the registry books.

The Trustee shall not be bound to recognize any person as a holder of a Trust Certificate unless and until his title to the Trust Certificates held by him is proven in the manner in this Article VIII provided.

Any demand, request or consent of the holder of any Trust Certificate shall bind all future holders of the same Trust Certificate, or any Trust Certificate or Trust Certificates issued in exchange therefor, in respect of anything done or suffered by the Company or the Trustee in pursuance thereof.

In determining whether the holders of the requisite aggregate principal amount of Trust Certificates have concurred in any direction, waiver or consent in this Trust Agreement, Trust Certificates which are owned by the Company, any other obligor upon the Trust Certificates (whether or not theretofore issued) or any Affiliate of the Company shall be disregarded and deemed not to be

outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Trust Certificates which the Trustee knows are so owned shall be disregarded.

ARTICLE IX.

IMMUNITY OF INCORPORATORS, STOCKHOLDERS, OFFICERS AND DIRECTORS

SECTION 9.01. No recourse shall be had for the payment of the principal of, or interest on, any Trust Certificate, or for any claim based thereon or on this Trust Agreement, or any trust agreement supplemental hereto, against any incorporator or against any stockholder, director or officer, past, present or future, of the Company, or of any predecessor or successor corporation, as such, either directly or through the Company or any such predecessor or successor corporation, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitution, statute or otherwise, of incorporators, stockholders, directors or officers, as such, being released as a condition of and consideration for the execution of this Trust Agreement and of the issue of the Trust Certificates.

ARTICLE X.

THE TRUSTEE

SECTION 10.01. *Expenses, compensation and certain rights and obligations.* The Trustee accepts the trusts created by this Trust Agreement upon the terms and conditions hereof, including the following, to all of which the parties hereto and the holders from time to time of the Trust Certificates agree:

(a) The Trustee shall be entitled to reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), and such compensation, as well as the reasonable compensation of its counsel, and all other reasonable expenses incurred by the Trustee hereunder, and all taxes which may have been assessed against the Trustee as such or against any funds on deposit with the Trustee hereunder which the Trustee may be required or permitted by law to deduct from such deposit and to pay, which the Company agrees to pay promptly on demand from time to time as such services shall be rendered and as such expenses shall be incurred. In default of such payments by the Company, the Trustee shall have a lien therefor on the property and moneys held by the Trustee hereunder prior to any rights in such property or moneys of the holders of the Trust Certificates. The Company also agrees to indemnify the Trustee for and to hold it harmless against any loss, liability or expense incurred without negligence or bad faith on the part of the Trustee arising out of or in connection with the acceptance or administration of the trusts contained in this Trust Agreement, as well as the costs and expenses of defending against any claim of liability in the premises.

(b) The Trustee may execute any of the trusts or powers hereof and perform any duty hereunder either directly or indirectly or by or through its agents or attorneys.

(c) The Trustee shall not be responsible in any manner whatsoever for the correctness of the recitals herein or in the Trust Certificates, all of which are made by the Company solely; and the Trustee shall not be responsible or accountable in any manner whatsoever for or with respect to the validity or execution or sufficiency of this Trust Agreement, or of any trust agreement supplemental hereto, or of the Trust Certificates (except for its own due execution thereof), or for the value of the property held by the Trustee hereunder or any part thereof, or for the title of the Trustee thereto, or for the security afforded thereby and hereby, or for the validity of any securities at any time held hereunder, and the Trustee makes no representation with respect thereto.

(d) The Trustee shall not be under any obligation to exercise any of the trusts or powers hereof at the request, order or direction of any of the holders of the Trust Certificates, pursuant to the provisions of this Trust Agreement, unless such holders of the Trust Certificates shall have offered to the Trustee security or indemnity satisfactory to it (in the case of Trust Certificates held by the purchasers named in Annex I to the Purchase Agreements, the written personal guaranty of such holder shall be satisfactory) against the cost, expenses and liabilities to be incurred therein or thereby; nothing herein contained shall, however, relieve the Trustee of the obligation, upon the occurrence of an Event of Default (which has not been cured), to exercise such of the rights and powers vested in it by this Trust Agreement, and to use the same degree of care and skill in its exercise as a prudent man would exercise or use under the circumstances in the conduct of his affairs.

(e) The Trustee may consult with counsel, and, to the extent permitted by Section 10.02, the advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the advice of such counsel which is not contrary to the express provisions of this Trust Agreement.

(f) The Trustee, to the extent permitted by Section 10.02, may rely upon the certificate of the Secretary or one of the Assistant Secretaries of the Company as to the adoption of any resolution by the Board of Directors or stockholders thereof.

(g) Any action taken by the Trustee pursuant to any provision hereof at the request or with the consent of any person who at the time is the holder of any Trust Certificate shall be conclusive and binding in respect of such Trust Certificate upon all future holders thereof, or of any Trust Certificate or Trust Certificates issued in exchange therefor, whether or not any such Trust Certificate or Trust Certificates shall have noted thereon the fact that such request or consent had been made or given.

(h) The Trustee shall not be personally liable in case of entry by it upon or possession and operation of property constituting the trust estate for debts contracted or liability or damages incurred in the management or operation of said property.

(i) The Trustee, to the extent permitted by Section 10.02, may rely and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, Trust Certificate or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties; *provided, however*, that to the knowledge of the Trustee, the foregoing instruments are not contrary to the express provisions of this Trust Agreement applicable thereto. In all cases where this Trust Agreement does not make other express provision as to evidence on which the Trustee may act or refrain from acting, the Trustee shall be protected, to the extent permitted by Section 10.02, in acting or refraining from acting under any provision of this Trust Agreement in reliance upon an Officers' Certificate as to the existence or non-existence of any fact or facts.

(j) Any moneys at any time held by the Trustee or any paying agent hereunder shall until paid out or invested by the Trustee or any paying agent as herein provided, be held by it in trust as herein provided for the proportionate benefit of the holders of the Trust Certificates.

SECTION 10.02. *Duties of Trustee; extent of liability.* Anything in this Trust Agreement contained to the contrary notwithstanding:

(a) unless and until an Event of Default shall have happened and be continuing,

(i) the Trustee shall not be liable except for the performance of such duties as are specifically set out in this Trust Agreement, and no implied covenants or obligations shall be read into this Trust Agreement against the Trustee, whose duties and obligations shall be determined solely by the express provisions of this Trust Agreement; and

(ii) the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, in the absence of bad faith on the part of the Trustee, upon certificates or opinions furnished to it pursuant to the express provisions of and conforming to the requirements of this Trust Agreement; but in the case of any such certificates or opinions, which, by the provisions of this Trust Agreement, are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Trust Agreement;

(b) the Trustee shall not be personally liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(c) the Trustee shall not be personally liable to any holder of Trust Certificates or to any other person with respect to any action taken or omitted to be taken by it in good faith, in accordance with the direction of the holders of a majority in principal amount of Trust Certificates at the time outstanding, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee by this Trust Agreement.

If an Event of Default hereunder shall have happened, then, so long as the same shall be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Trust Agreement, and shall use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

The Trustee shall not be required to undertake any act or duty in the way of insuring, taking care of or taking possession of the Trust Equipment or to undertake any other act or duty under this Trust Agreement until fully indemnified by the Company or by one or more of the holders of the Trust Certificates against all liability and expenses; and the Trustee shall not be responsible for the filing or recording or refiling or re-recording of this Trust Agreement or of any supplement hereto or statement of new numbers.

SECTION 10.03. *Application of Rentals.* The Trustee agrees to apply the rentals received by it under Section 5.04(B) when and as the same shall be received, and to the extent that such rentals shall be sufficient therefor, to the payment of the items specified in Section 5.04(B).

SECTION 10.04. *Funds May be Held by Trustee; Investments.* Any funds at any time paid to or held by the Trustee hereunder until paid out by the Trustee as herein provided may be carried by the Trustee on deposit with itself, and the Trustee will allow interest upon any such moneys held by it in trust at the rate generally allowed by it upon deposits of a similar character.

At any time, and from time to time, if at the time no Event of Default shall have occurred and be continuing, the Trustee, on Request, shall invest and reinvest Deposited Cash held by it or cash deposited with it pursuant to Section 5.06, 5.08, or 5.09 (hereinafter in this Section called Replacement Funds) in Investment Securities, at such prices, not in excess of fair market value at the time of investment, including any premium and accrued interest, as are set forth in such Request, such Investment Securities to be held by the Trustee in trust for the benefit of the holders of the Trust Certificates. Such Investment Securities may be purchased from or through the Trustee.

The Trustee shall, on Request, or the Trustee may, in the event funds are required for payment against delivery of Trust Equipment or for payment of the principal of or interest on any Trust Certificate, sell such Investment Securities, or any portion thereof, and restore to Deposited Cash or Replacement Funds, as the case may be, the proceeds of any such sale up to the amount paid for such Investment Securities, including accrued interest, or apply such proceeds to the payment of said principal or interest if and to the extent such proceeds are needed therefor.

The Trustee shall restore to Deposited Cash or Replacement Funds, as the case may be, out of rent received by it for that purpose under the provisions of Section 5.04(B) (1), an amount equal to any expenses incurred in connection with any purchase or sale of Investment Securities and also an amount equal to any loss of principal incident to the sale or redemption of any Investment Securities for a sum less than the amount paid therefor, including accrued interest.

The Company, if not to the knowledge of the Trustee in default, shall be entitled to receive any interest allowed as provided in the first paragraph of this Section and any interest (in excess of accrued interest paid from Deposited Cash at the time of purchase) or other profit which may be realized from any sale or redemption of Investment Securities.

SECTION 10.05. *Trustee Not Liable for Delivery Delays or Defects in Equipment or Title.* The Trustee shall not be liable to anyone for any delay in the delivery of any of the Trust Equipment, or for any default on the part of the manufacturers thereof or of the Company, or for any defect in any of the Trust Equipment or in the title thereto, nor shall anything herein be construed as a warranty on the part of the Trustee in respect thereof or as a representation on the part of the Trustee in respect of the value thereof or in respect of the title thereto or otherwise.

The Trustee may perform its powers and duties with respect to the delivery and acceptance of the Trust Equipment by or through such attorneys, agents and servants as it shall appoint, and shall be answerable only for its own acts, negligence and wilful defaults and not for the default or misconduct of any attorney, agent or servant appointed by it in respect thereof with reasonable care.

SECTION 10.06. *Resignation of Trustee upon Failure to Maintain Certain Qualifications.* If the Trustee shall at any time cease to be a bank or trust company in good standing organized and doing business under the laws of the United States of America or of any state thereof and having a combined capital and surplus of not less than \$100,000,000 which is authorized under the laws of the jurisdiction of incorporation to exercise corporate trust powers and is subject to supervision or examination by Federal or State authority, then the Trustee shall resign within 30 days thereafter, such resignation to become effective upon the appointment of a successor trustee and such successor's acceptance of such appointment. If the Trustee publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, the combined capital and surplus of the Trustee shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If the Trustee shall fail or refuse to resign within said period, then (a) the Trustee shall, within ten days after the expiration of said period, transmit notice of such failure or refusal to the holders of the Trust Certificates in the manner and to the extent provided in Section 10.10; and (b) any holder of Trust Certificates, who has been the bona fide holder of a Trust Certificate for at least six months, may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee so failing or refusing to resign and the appointment of a successor.

SECTION 10.07. *Resignation and Removal; Successor Trustees.* The Trustee or any successor may resign and be discharged from the trust hereby created by giving not less than 45 days' advance notice thereof to the Company specifying the date when such resignation shall take effect, and by giving notice thereof to the holders of Trust Certificates, in the manner and to the extent provided in Section 10.10. Such resignation shall take effect on the date specified in such notice unless previously a successor shall have been appointed as hereinafter provided, in which event such resignation shall take effect upon the appointment of such successor.

The Trustee, or any successor, may be removed at any time by an instrument or instruments in writing delivered to the Trustee and the Company and a successor may be appointed by an instrument or instruments in writing delivered to such successor and to the Company, in each case signed by the holders of a majority in principal amount of Trust Certificates at the time outstanding or by their duly authorized attorneys-in-fact.

Until a successor shall be appointed by the holders of the Trust Certificates or a court of competent jurisdiction as herein authorized, the Company, by an instrument executed by order of its Board of Directors, shall appoint a successor to fill the vacancy.

If in a proper case no appointment of a successor shall be made pursuant to the foregoing provisions of this Article X within six months after a vacancy shall have occurred, the holder of any Trust Certificate or the Trustee so retiring may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor.

Every successor to the Trustee so appointed by the holders of the Trust Certificates, by a court of competent jurisdiction or by the Company shall be a bank or trust company in good standing organized and doing business under the laws of the United States of America or of any state thereof and having a combined capital and surplus of not less than \$100,000,000, which is authorized under the laws of the jurisdiction of incorporation to exercise corporate trust powers and is subject to supervision or examination by a Federal or State authority. If such successor published reports of condition at least annually, pursuant to laws or to the requirements of said supervising or examining authority, the combined capital and surplus of such successor shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

SECTION 10.08. *Successor Trustees.* Any successor to the Trustee appointed under any of the methods herein provided shall execute, acknowledge and deliver to its predecessor trustee and to the Company an instrument in writing accepting such appointment hereunder and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with the estates, properties, rights, powers and trusts of its predecessor in the trust hereunder with like effect as if originally named as the Trustee herein; but such predecessor shall, nevertheless, at the written request of the successor, execute and deliver an instrument transferring to the successor all the estates, properties, rights, powers and trusts of such predecessor hereunder and shall duly assign, transfer and deliver all property and moneys held by it to its successor. Should any instrument in writing from the Company be required by any successor for more fully and effectually vesting in and confirming to it all estates, properties, rights, powers and duties as trustee hereunder, the Company upon the request of such successor, shall make, execute and deliver the same. The Company shall promptly give notice of the appointment of such successor to the holders of the Trust Certificates in the manner and to the extent provided in Section 10.10.

SECTION 10.09. *Merger or Consolidation of Trustee.* Any corporation into which the Trustee or any successor to it in the trust created by this Trust Agreement may be merged, or with which it or any successor to it may be consolidated, or any corporation resulting from any merger or consolidation to which the Trustee or any successor to it shall be a party, shall be the successor to the Trustee under this Trust Agreement without the execution or filing of any instruments or any further act on the part of any of the parties hereto.

SECTION 10.10. *Transmission of Reports to Certificateholders.* All reports, requests or notices which are required by any other provision of this Trust Agreement to be transmitted in accordance with the provisions of this Section 10.10, shall be transmitted by mail to all registered owners of Trust Certificates, as the names and addresses of such owners appear upon the registration books maintained by the Trustee.

SECTION 10.11. *Right to Acquire and Hold Trust Certificates.* The Trustee and any paying agent may each acquire and hold Trust Certificates and otherwise deal with the Company in the same manner and to the same extent and with like effect as though it were not Trustee or a paying agent hereunder.

SECTION 10.12. *Additional Trustees.* (a) If at any time or times it shall be necessary or prudent in order to conform to any law of any jurisdiction in which the Trust Equipment or any part thereof is located, or the Trustee shall be advised by counsel, satisfactory to it, that it is so necessary or prudent in the interest of the holders of the Trust Certificates, or the holders of a majority in principal amount of Trust Certificates at the time outstanding shall in writing so request the Trustee and the Company, the Trustee and the Company shall execute and deliver all instruments and agreements necessary or proper to constitute another bank or trust company or one or more persons approved by the Trustee and the Company either to act as co-trustee or co-trustees of all or any of the Trust Equipment, jointly with the Trustee originally named herein or any successor or successors, or to act as separate trustee or trustees of any such property. In the event the Company shall have not joined in the execution of such instruments and agreements within ten days after the receipt of a written request from the Trustee so to do, or in case an Event of Default hereunder shall have happened and be continuing, the Trustee may act under the foregoing provisions of this Section 10.12 without the concurrence of the Company; and the Company hereby appoints the Trustee its agent and attorney to act for it under the foregoing provisions of this Section 10.12 in either of such contingencies.

(b) Every additional trustee hereunder shall, to the extent permitted by law, be appointed and act and be such and the Trustee and its successors shall act and be such, subject to the following provisions and conditions, namely:

(1) the Trust Certificates shall be issued and delivered and all powers, duties, obligations and rights conferred upon the Trustee in respect of the custody, control and management of moneys, papers or securities, shall be exercised solely by Continental Illinois National Bank and Trust Company of Chicago or its successor as Trustee hereunder;

(2) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by Continental Illinois National Bank and Trust Company of Chicago or its successor as Trustee, and such additional trustee or trustees jointly, except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, Continental Illinois National Bank and Trust Company of Chicago or its successor as Trustee, shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations shall be exercised and performed by such additional trustee or trustees;

(3) no power given hereby to, or which it is provided hereby, may be exercised by such additional trustee or trustees, except jointly with, or with the consent in writing of, Continental Illinois National Bank and Trust Company of Chicago or its successor as Trustee, anything herein contained to the contrary notwithstanding;

(4) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(5) the Company and the Trustee, at any time, by an instrument in writing; executed by them jointly, may remove any such additional trustee, and in that case, by an instrument in writing executed by them jointly, may appoint a successor or successors to such trustee or trustees, as the case may be, anything herein contained to the contrary notwithstanding; in the event that the Company shall not have joined in the execution of any such instrument within ten days after the receipt of a written request from the Trustee so to do, the Trustee shall have the power to remove any such trustee and to appoint a successor to such trustee without the concurrence of the Company, the Company hereby appointing the Trustee its agent and attorney to act for it in such connection in such contingency; in the event that the Trustee alone shall have appointed a successor additional trustee or trustees or co-trustee or co-trustees as above provided, it may at any time, by an instrument in writing, remove any such trustee or co-trustee,

the successor to any such trustee or co-trustee so removed to be appointed by the Company and the Trustee, or by the Trustee alone, as hereinbefore in this Section 10.12 provided.

(c) Any additional trustee or any successor thereof may at any time by an instrument in writing constitute the Trustee his agent or attorney-in-fact, with full power and authority, to the extent which may be authorized by law, to do all acts and things and exercise all discretion which he is authorized or permitted to do or exercise, for and in his behalf and in his name. In case any additional trustee or any successor thereof shall die, become incapable of acting, resign or be removed, all the assets, property, rights, powers, trusts, duties and obligations of such additional trustee or such successors, as the case may be, so far as permitted by law, shall vest in and be exercised by whomsoever the Trustee shall appoint, without the appointment of a new successor to such additional trustee or such successor, unless and until a successor is appointed in the manner hereinbefore provided.

ARTICLE XI.

SUPPLEMENTAL TRUST AGREEMENTS

SECTION 11.01. *Supplemental trust agreements without consent of Certificateholders.* The Company when authorized by resolution of its Board of Directors, and the Trustee from time to time and at any time, subject to the conditions and restrictions in this Trust Agreement contained, may enter into a trust agreement or trust agreements supplemental hereto which trust agreement or trust agreements shall form a part hereof, for any one or more or all of the following purposes:

(a) to add to the covenants and agreements of the Company in this Trust Agreement contained, other covenants and agreements thereafter to be observed or to surrender any right or power herein reserved to or conferred upon the Company;

(b) to appoint a co-trustee or co-trustees, or a separate trustee or trustees, pursuant to Section 10.12; or

(c) for any other purpose consistent with the terms of this Trust Agreement, or for the purpose of curing any ambiguity or curing, correcting or supplementing any defect or inconsistent provision contained in this Trust Agreement or any trust agreement supplemental hereto; provided for the purpose of this subsection (c) only that at least 10 days and not more than 90 days prior to the Trustee's execution thereof, the Trustee shall mail notice stating the substance of such supplemental trust agreement to each holder of the Trust Certificates at the time outstanding.

Any supplemental trust agreement authorized by the provisions of this Section 11.01 may be executed by the Company and the Trustee without the consent of the holders of any of the Trust Certificates at the time outstanding, notwithstanding any of the provisions of Section 11.02, but the Trustee shall not be obligated to enter into any such supplemental trust agreement which affects the Trustee's rights, duties or immunities under this Trust Agreement or otherwise.

The holders of not less than 66⅔% in principal amount of the Trust Certificates at the time outstanding shall have the right at any time to direct and require the Company and the Trustee to enter into one or more trust agreements supplemental hereto in order to effectuate the purpose specified in subsection (c) of this Section 11.01. Upon the written request of the holders of the requisite percentage of Trust Certificates as aforesaid, the Company and the Trustee shall with reasonable promptness execute such supplemental trust agreement or trust agreements. If the Trustee shall not be willing to execute a supplemental trust agreement as requested, it shall, within 20 days after the receipt of such request, resign as Trustee hereunder.

SECTION 11.02. *Supplemental trust agreements with consent of Certificateholders.* With the consent (evidenced as provided in Section 8.01) of the holders of not less than 66 $\frac{2}{3}$ % in principal amount of the Trust Certificates at the time outstanding, the Company, when authorized by a resolution of its Board of Directors, and the Trustee may from time to time and at any time enter into a trust agreement or trust agreements supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Trust Agreement or of any supplemental trust agreement or modifying in any manner the rights and obligations of the holders of the Trust Certificates and of the Company; *provided, however*, that no such supplemental trust agreement shall, without the consent of the holder of each outstanding Trust Certificate affected thereby,

(1) change the fixed maturity of the principal of, or the date for payment of any sinking fund instalment or interest on, any Trust Certificate, or change the dates upon which rentals are payable with respect to principal, at maturity or sinking fund instalments, or interest, or reduce the principal amount thereof or any interest thereon, or any rentals payable with respect to principal, sinking fund instalments or interest, or change the coin or currency in which any Trust Certificate or any interest thereon or any rentals relating thereto is payable, or impair the right to institute suit for the enforcement of such payment on or after the fixed maturity or date of payment thereof (or, in the case of redemption, on or after the date fixed for redemption); or

(2) modify any of the provisions of the guaranty of the Company in respect of the Trust Certificates; or

(3) create any security interest with respect to the Trust Equipment ranking prior to, or on a parity with, the security interest created by this Trust Agreement, or deprive any holder of the benefit of the security interest created by this Trust Agreement in all or any part of the Trust Equipment, Deposited Cash or Replacement Funds (as such term is defined in Section 10.04) for the security of his Trust Certificate; or

(4) reduce the percentage in principal amount of the outstanding Trust Certificates, the consent of whose holders is required for any such supplemental trust agreement, or the consent of whose holders is required for any waiver of compliance with certain provisions of this Trust Agreement or of certain defaults hereunder and their consequences provided for in this Trust Agreement; or

(5) modify any of the provisions of this Section 11.01, or Section 11.03, except to increase any such percentage or to provide that certain other provisions of this Trust Agreement cannot be modified or waived without the consent of the holder of each Trust Certificate affected thereby.

Upon the request of the Company, accompanied by a copy of a resolution of its Board of Directors certified by the Secretary or an Assistant Secretary of the Company authorizing the execution of any such supplemental trust agreement, and upon the filing with the Trustee of evidence of the consent of the holders as aforesaid, the Trustee shall join with the Company in the execution of such supplemental trust agreement unless such supplemental trust agreement affects the Trustee's own rights, duties or immunities under this Trust Agreement or otherwise, in which case the Trustee may in its discretion but shall not be obligated to enter into such supplemental trust agreement.

Promptly after the execution by the Company and the Trustee of any supplemental trust agreement pursuant to the provisions of this Article XI, the Company shall give notice, setting forth in general terms the substance of such supplemental trust agreement, to the holders of all Trust Certificates outstanding; such notice shall be sent by the Company through the mails, postage prepaid. Any failure of the Company to give such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental trust agreement.

SECTION 11.03. *Effect of supplemental trust agreement.* Upon the execution of any supplemental trust agreement pursuant to the provisions of this Article XI, this Trust Agreement shall be and be deemed to be modified and amended in accordance therewith and the respective rights, duties and obligations under this Trust Agreement of the Company, the Trustee and all holders of Trust Certificates outstanding thereunder shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such supplemental trust agreement shall be deemed to be part of the terms and conditions of this Trust Agreement for any and all purposes.

SECTION 11.04. *Trustee's opinion of counsel.* Subject to the provisions of Section 10.02, the Trustee may receive an Opinion of Counsel as conclusive evidence that any supplemental trust agreement executed pursuant to the provisions of this Article XI complies with the requirements of this Article XI.

SECTION 11.05. *Notation on Trust Certificates; execution and delivery of new Trust Certificates.* Trust Certificates issued and delivered after the execution of any supplemental trust agreement pursuant to the provisions of this Article XI may bear a notation in form approved by the Trustee as to any matter provided in such supplemental trust agreement. If such supplemental trust agreement shall so provide, new Trust Certificates of like tenor, so modified as to conform, in the opinion of the Trustee and the Board of Directors of the Company, to any modification or amendment of this Trust Agreement contained in any such supplemental trust agreement, may be prepared by the Company and executed by the Trustee and delivered without cost to the holders of Trust Certificates then outstanding upon surrender of such Trust Certificates in equal aggregate principal amounts.

ARTICLE XII.
